# SpecCheck Order Entry

All Founders Optical orders will be placed through the cutting-edge, intuitive SpecCheck ordering platform that features real-time order updates and the ability to live chat with Founders Optical customer service. Don't have a SpecCheck login yet? Click here to get setup!

[speccheckrx.com/founders](https://speccheckrx.com/founders)

The screenshot shows the 'New Order' form for NeuroLens Inc. The header includes the SpecCheck logo and a user profile icon. The left sidebar contains the company name, address, and navigation links: Home, Drafts, Rewards, Settings, and a prominent 'Create Order' button. The main content area shows the order title 'New Order' and 'Production Lab: Founders Optical Group'. A progress bar indicates four steps: 1. Overview (active), 2. Rx Entry & Lens Selection, 3. Frame Entry, and 4. Order Details Confirmation. The 'Step 1: Overview' section includes 'General Information' with fields for Patient First Name, Patient Last Name, Patient Email Address, and Order Type (a dropdown menu). Below this is the 'Order Options' section with a dropdown menu for 'Select Order Option'. Buttons for 'Save Draft' and 'Next' are visible in the top right.

Toggle to Founders Optical Group

Select "Create Order"

The screenshot shows the 'New Order' form for Larry Lenses. The left sidebar is similar to the previous screenshot but includes an 'Essentials Trial' notification (44 days remaining) and links for 'Resources & Support' and 'Report Issue'. The main content area shows the order title 'Larry Lenses' and 'Production Lab: Founders Optical Group'. The progress bar is the same. The 'Step 1: Overview' section has 'General Information' with 'Patient First Name' filled with 'Larry' and 'Patient Last Name' filled with 'Lenses'. The 'Order Type' dropdown is set to 'Edge & Mount'. The 'Order Options' section is expanded, showing 'Redo Order' (dropdown), 'Redo Type\*' (dropdown set to 'Lab Redo'), 'Original Order Invoice ID\*' (text input with '123456'), and 'Redo Reason\*' (text area). The 'Create Order' button is highlighted in the sidebar. Buttons for 'Save Draft' and 'Next' are visible in the top right.

and input Voucher Code if  
applicable

Split Neurolens Value to OD and OS  
Enter into I/O Prism Fields

Example:  
Neurolens Value is 1.4 BI  
Enter OD Prism field as 0.71  
Enter OS Prism field as 0.71

# Founders Optical Lab Policy

- Remake:** Unlimited within 120 days of original order.
- Warranty:** 2 identical warranties within 2 years of original order.
- Multi-Pair:** 50% off multi-pairs within 60 days of original order.
- Employee Pairs:** Free pairs for symptomatic employees at implementation & earned pairs per quarter using Neurolens vouchers.
- Satisfaction Guarantee:** 100% back for non-adapt or satisfaction. Submit any non-adapt/ satisfaction returns to Founders Optical Lab directly (live chat, phone or email) to process return and refund credit.

For more info on the Neurolens Global Lab Policies, please refer to the Neurolens Lab Guide (scan here):

Founders Optical Lab does not always require, but reserves the right to request, remake, warranty, or satisfaction guarantee lenses be returned.

Order Entry Errors/Cancellations: If order is updated or cancelled within 1 hour of being submitted, practice will not be billed. If order needs to be updated or cancelled after 1 hour of being submitted, practice will be billed 50% of the order.

Patient owned frames are edged at ECP's own risk. Lab will notify ECP if patient owned frames are considered high risk to edge prior to edging. Patient owned frames will not be adjusted from current set up unless requested by the ECP prior to shipment.

If lab is awaiting frames for more than 10 working days after lenses are processed, lenses will be sent to the practice as uncuts. When the frame becomes available, the job can be sent back to the lab to be completed.

**CUSTOMERS ENROLLED IN AUTOPAY WILL RECEIVE FREE SHIPPING!!!**

\*Standard 2-day shipping offered through UPS.

## Processing Staff Voucher Orders Through Founders Optical

Practice will enter unique voucher code in the order form when placing orders.

*Don't forget your voucher code!*

*Any employee orders with no voucher code present will be billed!*

**Select Neurolens Options**  
Neurolens requires some additional information

**Type\***
