SpecCheck Order Entry

All Founders Optical orders will be placed through the cutting-edge, intuitive SpecCheck ordering platform that features real-time order updates and the ability to live chat with Founders Optical customer service. Don't have a SpecCheck login yet? Click here to get setup!

speccheckrx.com/founders

The screenshot shows the 'New Order' form in the SpecCheck system. The header includes the SpecCheck logo and a user profile icon. The main header displays 'New Order' and 'Production Lab: Founders Optical Group', with 'Save Draft' and 'Next' buttons. A progress bar shows four steps: 1. Overview (active), 2. Rx Entry & Lens Selection, 3. Frame Entry, and 4. Order Details Confirmation. The left sidebar contains the user profile for NeuroLens Inc. (1234 Lakeshore Dr, Ste 200, Coppell, TX 75019), a 'Displaying orders from:' dropdown set to 'Founders Optical Group - 1...', and navigation links for Home, Drafts, Rewards, and Settings. A prominent 'Create Order' button is at the bottom of the sidebar. The main form area is titled 'Step 1: Overview' and includes a 'General Information' section with fields for Patient First Name, Patient Last Name, Patient Email Address, and Order Type (a dropdown menu). Below this is an 'Order Options' section with a dropdown menu.

Toggle to Founders Optical Group

Select "Create Order"

The screenshot shows the 'New Order' form in the SpecCheck system, now for 'Larry Lenses'. The header and progress bar are identical to the previous screenshot. The left sidebar is also identical. The main form area is titled 'Step 1: Overview' and includes a 'General Information' section with fields for Patient First Name (filled with 'Larry'), Patient Last Name (filled with 'Lenses'), Patient Email Address, and Order Type (a dropdown menu set to 'Edge & Mount'). Below this is an 'Order Options' section, which is highlighted with a blue box. This section contains a dropdown menu for 'Order Options' (set to 'Redo Order'), a dropdown for 'Redo Type*' (set to 'Lab Redo'), a text field for 'Original Order Invoice ID*' (filled with '123456'), and a text field for 'Redo Reason*'. A blue line connects the 'Order Options' section to the callout box on the right.

Select the Order Type:
New Order
Redo Order
Pair 50 Order
Single Lens Order

**For Redo or Pair 50, reference original Order Invoice ID/Tray*

and input Voucher Code if
applicable

Split Neurolens Value to OD and OS
Enter into I/O Prism Fields

Example:
Neurolens Value is 1.4 BI
Enter OD Prism field as 0.71
Enter OS Prism field as 0.71

Founders Optical Lab Policy

Remake: Unlimited within 120 days of original order.

Warranty: 2 identical warranties within 2 years of original order.*

Multi-Pair: 50% off multi-pairs within 60 days of original order.

Employee Pairs: Free pairs for symptomatic employees at Launch & can be requested thereafter through the Neurolens Portal.

Satisfaction Guarantee: 100% back for non-adapt or satisfaction. Submit any non-adapt/ satisfaction returns to Founders Optical Lab directly (live chat, phone or email) to process return and refund credit.

Founders Optical Lab does not always require, but reserves the right to request, remake, warranty, or satisfaction guarantee lenses be returned.

Order Entry Errors/Cancellations: If order is updated or cancelled within 1 hour of being submitted, practice will not be billed. If order needs to be updated or cancelled after 1 hour of being submitted, practice will be billed 50% of the order.

Patient owned frames are edged at ECP's own risk. Lab will notify ECP if patient owned frames are considered high risk to edge prior to edging. Patient owned frames will not be adjusted from current set up unless requested by the ECP prior to shipment.

If lab is awaiting frames for more than 10 working days after lenses are processed, lenses will be sent to the practice as uncuts. When the frame becomes available, the job can be sent back to the lab to be completed.

* Orders placed with no Anti-Reflective coating will have a 1 year, 1 time scratch warranty.

Processing Staff Voucher Orders Through Founders Optical

Practice will enter unique voucher code in the order form when placing orders.

Don't forget your voucher code!

Any employee orders with no voucher code present will be billed!
